of blowout benders

Of teenage rockstar splendor

Right now you're

Helpless, helpless

You are, Almost hopeless

On the school's social map

you're just a blip

But if you, Take my advice

and if you pay the listed price

Well, then you go from sad to interesting

To hip - Your whole life will flip!

[RICH & ENSEMBLE:]

When you buy a Squip!

Hey, yeah, a Squip!

Oh, a Squip

Hey, yeah!

No longer a drip

when you got in your grip

A Squip! A Squip! A Squip!!!
