

Public Life Bloody Bloody Andrew Jackson

Intro

Am

Am

(Andrew) So I see where two roads divide,

The public man when his wife has died,

And just when everything I wanted

was within my grasp,

The irony, Yeah the irony is killing me,

C G Am C G F

This public life, No private life,

Break

Am

Am

To my wife I make this one last vow,

G

I'll give my life to the people now,

C

D

I'll be the man they need,

C

F

The one to lead a generation,

C

D

I'll listen to their voice,

C

With every choice,

F

Am

As we transform this nation ohhhhh,

G

I'll keep on going ohhhhh,

F

I'll keep on going ohhhhh,

I'll keep on going,

C

G

Am

I gotta be that guy,

C

G

F

It's time to be that guy,

Am

(Spoken) I'm gonna take this country back.

Am

(company) There's nothing left in this old town,

Pick up your life and move it around,

G

You've got to get down to be seen,

Pick up your rifle and make a stand. (x2)

C

D

(Andrew) Change is coming now,

Am

F

Can you feel it?

C

D

It's coming on now,

Am

F

It's coming on now,

C

(Populism yea yea,) (Populism yea yea,)

This is what we've been waiting for,

C

(Populism yea yea,) (Populism yea yea,)

This trail was always leading to this door...
