

## 2. Let Me Drive My Van Into Your Heart Steven Universe

**[Verse 1]** I know I'm not that tall

I know I'm not that smart

But let me drive my van into your heart

Let me drive my van into your heart

I know I'm not that rich

I'm trying to get my start

So let me drive my van into your heart

Let me drive my van into your heart

**[Bridge]** And if we look out of place

Well, baby, that's okay

I'll drive us into outer space

Where we can't hear what people say

**[Verse 2]** I know I don't have a plan

I'm working on that part

At least I've got a van

So let me drive my van into your heart

**[Outro]**

Let me drive my van into your heart

Let me drive my van into your heart

Let me drive my van into your heart

Let me drive my van into your heart

Let Me Drive My Van  
Into Your Heart
