

A Very Special Digital Circus Song
Zach & Micah Preciado

[CAINE, spoken]

Guys, I set up a musical adventure

For you today!

But the song starts at 12:30,

And I didn't have time to write lyrics!

You'll have to make up the lyrics

On the spot,

Or suffer a horrible punishment!

[POMNI, spoken] What punishment?

[CAINE, spoken] 12:30!

[POMNI, spoken]

I c— I can't sing without a script!

[CAINE, spoken] Hup!

[POMNI, spoken]

This is a shampoo bottle!

[CAINE, spoken] The song, Pomni!

[POMNI, BUBBLE (spoken)]

Contains citric acid, sodium chloride,

Cocamidopropyl betaine

Fumic acid, butylphenyl,

Methylpropional, uh

Magnesium nitrate, limonine,

PEG-60, almond glycerides

(Sounds delicious!)

Methylchloroisothiazolinone

And, uh, water

[GANGLE]

I'm super happy, never sappy

When I have my happy mask

Don't break it Jax, don't break it Jax

Don't break it Jax, that's all I ask

[GANGLE, spoken]

What the ****! Kinger!

[KINGER, spoken]

Oop, sorry, just eatin' a little banana

[RAGATHA]

Sunny days and rainbows

Getting hugs and petting kitty cats

When you feel down and in the mud

Instead of frowning, do a silly dance!

[RAGATHA, spoken]

Take it away, Zooble!

[ZOOBLE, spoken] This is stupid

[CAINE, spoken]

Boo! Come on!

Let loose these angelic pipes, Zooble!

[JAX] Zooble's part was terrible
That act was so unbearable
I'm super-duper hoping
That those limbs are not repairable

[KINGER]

Y'all know me as Kinger
But on the stage, I'm Singer
Gonna serenade ya, baby
With my own Tony-winning zingers (Ow)

[CAINE, spoken]

Alright, Pomni!
Let's bring this hootenanny home
With a classic duet!

[POMNI, spoken] Gummigoo?

[GUMMIGOO, spoken] Crikey!

[POMNI, spoken] Gummigoo!

Oh my gosh! I can't believe you're alive!

[GUMMIGOO, spoken] Crikey!

[POMNI, spoken] W-wha—

[GUMMIGOO, spoken]

Crikey—

Down under—

[POMNI] AHHHHHHHHH!
