

Original key: C

2. I Love Play Rehearsal Be More Chill

[CHRISTINE/CHORUS]

I love play rehearsal
Because it's the best!
Because it is fun
I love play rehearsal
And I get depressed as soon as it's done

[VERSE 1]

But not depressed
As in like kill yourself depressed
No, I'm not into self-harm
Dude, I swear, here check my arm!
See, I just use the word
To emphasize a point
Show the passion that I've got
I am passionate a lot

[VERSE 2]

I have mad, gigantic feelings
Red and frantic feelings
About most everything
Like gun control, like spring
Like if I'm living up to all I'm meant to be
I also have a touch of ADD
Where was I? Oh, right!

[CHORUS]

I love play rehearsal
'Cause you are equipped
With direction and text
Life is easy in rehearsal
You follow a script
So you know what comes next

[VERSE 3]

Anywho, the point that I'm getting to
Is sometimes life can't work out
In the way
It works out in the play
Like the only time I get to be
The center of attention
Is when I'm Juliet or Blanche DuBois
And can I mention?
That was really one of my best roles
Did you see that?
And no matter how hard I try
It's impossible to narrow down
The many reasons why- y- y- y

[CHORUS] I love play rehearsal

I happiness cry whenever it starts!

It's just so universal

Getting to try playing so many parts

[BRIDGE] Most humans do one thing

For all of their lives

The thought of that gives me hives!

I've got so many interests

I wanna pursue

And why am I telling this to you?

Guess there's a part of me that wants to

[OUTRO]

Back to play rehearsal

My brain is like, 'Bzz!'

My heart is like, 'Wow!'

Because we're here at play rehearsal

And it's star- ting

We're star- ting

It's star- ting soon

Oooooooooohhhh

I love
Play Rehearsal
