

17. What If Tomorrow Comes Black Friday

[HANNAH] Do you all see what I see?

What I know, What I see

Do you all see the memories?

Tomorrow reminds me

[CHORUS] Tomorrow will come

Tomorrow won't come

Tomorrow come today

Tomorrow will come

Tomorrow won't come

Will tomorrow come today?

And turn the light off

Do you all see what I see?

What I know, What I see

Do you all see the memories?

Tomorrow reminds me

[CHORUS] Tomorrow will come

Tomorrow won't come

Tomorrow come today

Tomorrow will come

Tomorrow won't come

Will tomorrow come today?

And turn the light off

What if tomorrow comes

to break the dawn

And take the night away

What if tomorrow-

What if tomorrow comes

to break the dawn

And there's no one to stay

What if tomorrow-

[BECKY] What if tomorrow-

[EMMA & (TOM) & [PAUL]]

What if tomorrow comes

To break the dawn

(To break [the dawn,] what if?)

What if tomorrow comes?

to break and take the night away

What if tomorrow-

[OVERLAPPING PARTS: 1 (2) [3]]
