

4. Chillin' the Regrets Alice By Heart

[INTRO] [F | F | Bbm | Bbm] 2x

[CATERPILLAR] Hey cool
Just this cater- pillar
Looks at you so blue
As if he'd look at you forever

Puffs upon his pipe
And kinda stares you down
Draws you to his blueish room
And even bluer cloud, oh
Even bluer cloud. He says

[CATERPILLAR & CATERPILLAR 2]

'Where have you gone?'
Or 'have you been there yet?'
Where the mind winds down
Chillin' the regrets

Oh the wind is wonderful, oh really
When it greets the rain
You hold another view
And all you know you knew
As if they let you in some other dream
Chillin' the regrets

[ALL] Chillin'

[CATERPILLAR & CATERPILLAR 2]
Chillin' the regrets

[ALL] Chillin'

[CATERPILLAR 2]

Hey cool
So you think 'whatever'
Drift into that fume
You feel your neck go on forever

[CATERPILLAR & CATERPILLAR 2]

Nothing but another blue
And down there on the ground

[CATERPILLAR 2]

Nothing but another you
And other lovely clouds

[CATERPILLAR & CATERPILLAR 2]

Oh
Other lovely clouds

[CATERPILLAR 2]

I say 'where have you gone?'
Or 'did you get there yet?'
Where this soul goes south

[ALL] Chillin' the regrets
Oh the wind's so wonderful, no really

[ALICE] It's just as sweet as rain

[CATERPILLAR & CATERPILLAR 2]

Just as sweet as rain

You'll hold another view

[ALICE] You'll hold another view

[CATERPILLAR & CATERPILLAR 2]

On who you hold is you

As if it met you in whoever's dream
