

Original Key: Eb

1. Look Out for Mister Stork Dumbo

[VERSE 1]

Look out for Mr. Stork
 That persevering chap
 He'll come along and drop
 A bundle in your lap
 You may be poor or rich
 It doesn't matter which
 Millionaires, they get theirs
 Like the butcher and the baker

[VERSE 2]

Look out for Mr. Stork
 He's got you on his list
 And when he comes around
 It's useless to resist
 Remember those quintuplets
 And the woman in the shoe
 Maybe he's got his eye on you

So look out for Mr. Stork
 And let me tell you, friend
 Don't try to get away
 He'll find you in the end
 He'll spot you out in China
 Or he'll fly to County Cork
 So you better look out for Mr. Stork
