

25. Peace and Love on the Planet Earth Steven Universe

[Steven] Do- Re- Mi-
 Fa- So- La- Ti- Do

[Peridot] Do- Mi- So- Do?

[Steven] Isn't it pretty?

[Peridot] That's exceedingly simple...

Do- Mi- So- Ti?

[Steven] We're making music!

[Peridot] What is the point?

You're not making anything!

[Steven]

Well if it isn't anything

Then why does it sound so good?

[Peridot]

I suppose it's just interest.

(do mi so do),

Devoid of substance or purpose,

A hypothetical pattern (do mi so ti),

For the satisfaction

Of bringing it to completion

[Steven] Sure!

[Peridot] Do mi so ti...

Interest without meaning,

Solutions without problems?

[Steven] And then you just add words!

Here's one I've been working on:

Life and death and love and birth

And peace and war on the planet Earth

Is there anything that's worth more

Than peace and love on the planet Earth

Oh-oh come on and sing it with me

[Peridot] Sing?

[Steven] The words relate to the key

[Peridot] Key?

[Steven] If it's a pattern,

If it's a pattern

Then just repeat after me

Life and death and love and birth

[Peridot]

Life and death and love and birth

[Steven]

Now you sing

mi-fa-mi- mi-fa-mi- ti-la

[Steven and Peridot]

And peace and war on the planet Earth

[Steven] Yes yes! That's it!

[Peridot] That's so easy

[Steven]
