

3. Still Alice By Heart

[INTRO] Db | B | Db | B

[ALFRED/WHITE RABBIT]

Db B
Still

Db B
The story goes as stories will

Db
One afternoon beside

B
Some bolted garden gate

Ebm7
But how they do

Ebm7
And soon, so soon

I'm late, I'm late, so late

Gb Gb
Oh, I'm ahead of my time

Still

Ab Ab
If I keep moving

Ebm7 Ebm7
Forward, and I fall behind

Still

Db B
So much to do when

Gb B
But how can I stop the clock in me

When I'm chasing me

Db
Still

B
Time is chasing me

Db B
Still

[ALICE]

Db B
Still

Db B
Can't stories go where stories will?

Db
Here, here, they do

Each afternoon

B
Stays rosy late

Ebm7
Just me and you

Our golden room

Ebm7
Let the mad queen wait

Gb
Stay

Gb
Where the grasses sway

Ab Ab
The river stopped moving

Ebm7 Ebm7
Here, with the lazy blue day

Db B
Your roses just blooming

Gb B
So why can't we linger and dream?

Walk with me

Db
Still

B
Linger on with me

Db B
Still

[WHITE RABBIT]

Db **B**
Still
Db
Our stories know

[ALICE]

It is until
B
We run it through

[WHITE RABBIT]

Db
So much to do

Adieu, adieu
B
Away, away

[ALICE]

Ebm7
One look at you

And what's the use
Ebm7
I've got my day

Gb
Run and play with me
B
Still

[WHITE RABBIT & ALICE]

Gb
On this page with me
B
Still

[ALICE]

Db **B**
Stay

And stay with me
Db **B**
Still

[WHITE RABBIT]

Time is chasing me
Db **B**
Still

[WHITE RABBIT & ALICE]
