3. Stand Out A Goofy Movie

[Intro] A | A

[Verse 1]

Open up your eyes, take a look at me
 Get the picture fixed in your memory
 I'm driven by the rhythm
 Like the beat of a heart
 And I won't stop
 Until I start to stand out,
 Mmm, to stand out
 Some people settle for the typical thing
 Livin' all their lives waiting in the wings
 It ain't a question of "if",
 Just a matter of time
 Before I move to the front of the line

[Pre-Chorus]

Once you're watching
 Every move that I make
 You gotta believe that I got what it takes

[Chorus]

To stand out above the crowd
 Even if I gotta shout out loud
 Till mine is the only face you'll see
 Gonna stand out till ya notice me

[Break] A | A

[Verse 2] If the squeaky wheel's

Always gettin' the grease
 I'm totally devoted
 To disturbin' the peace
 And I'll do it all again when I get it done
 Until I become your number one
 No methods to the madness,
 And no means of escape
 Gonna break every rule,
 Or bend them all outta shape
 It ain't a question of "how",
 Just a matter of when
 You get the message
 That I'm tryin' to send

[Pre-Chorus]

I'm under a spell, I'm in over my head
 And you know I'm going all of the way
 To the end

[Chorus]

To stand out above the crowd
 Even if I gotta shout out loud
 Till mine is the only face you see
 Gonna stand out
 Till ya notice me, yeah

[Bridge]

If I could make you stop,

If it was gettin' you to notice (*I'm alive*)
