# Only You, Lonely You Cinderella

[INTRO] Am Em | D Em | D

[VERSE 1] One quick smile  
and I'm glad I know you.  
You unlock  
the secret me that I couldn't see.

[CHORUS] Only you, lonely you,  
see me as I am and hope to be.

[VERSE 2] I'm sky high and I long to show you.  
My whole world is altered  
yet I don't say a thing.

[CHORUS] Only you, lonely you.  
Show me how my lonely heart can sing.

[VERSE 3] Look what I missed,  
I was so blind.  
You were always in plain sight?  
Out of my dreams, into the light.  
Nothings the same now,  
ev'rything's bright.  
Ev'rything wrong seems riiiiiiiiight

## [CHORUS]

All my life I've been waiting for you  
Right beside me  
all this time but I never knew  
Only you, lonely you  
And I sense that you can feel it too.

## [BRIDGE]

Why don't I speak,  
say it out loud.  
Tell you how I really feel?  
You were right there,  
five feet away.  
Why was I tongue tied?  
Ever so dull  
When I really want to saaaaaayyyyyyy

## [CHORUS]

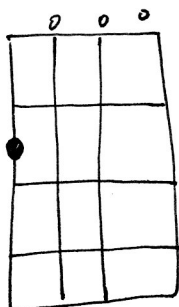

All my life I've been waiting for you.  
You were born  
to change my life but I never knew.  
Only you, lonely you  
And I'll find a way to make you see  
Only you can rescue  
lone- ly meeeeeeeeeeeeeeeeeeeee.

Only You,  
Lonely You
