The Lion King 2: Simba's Pride

[Intro] G | G | C | D

[Verse 1]

G C
 There's a place where the crazy moon
 G C
 Makes the monkeys sing (Ah-ah-ah!)
 D
 And the baboons swoon
 Em C
 And the sultry scent of the lotus bloom
 D D
 Will carry you away
 G
 While the hippos swing
 C
 From the jungle vines
 G D
 And the rhino rumba in a conga line
 Em C
 All the pink flamingos are intertwined
 D D
 As the stars come out to play!

[Chorus]

Uh! In Upendi C C
 G G
 Where the passion fruit grows sweet
 D
 And it's so divine (So divine)
 D
 That you'll lose your mind
 (Lose your mind)
 C G
 As it sweeps you off your feet
 C C
 In Upendi
 G G
 Without a worry or a care
 D
 It just takes two
 D
 To make it true
 C D G G
 Your heart will lead you there

[Break]

G G G G G
(In Upendi, in Upendi)

[Verse 2]

G
 You better watch your step
 C
 'Cause the path is steep
 G
 You better hold your breath
 D
 'Cause the water's deep
 Em C
 It's a long way down off of lover's leap
 D D
 But falling's half the fun!

[Chorus]

In Upendi C C
 G G
 Where the passion fruit grows sweet
 D
 And it's so divine
 D
 That you'll lose your mind
 (Lose your mind)
 C G
 As it sweeps you off your feet
 (Sweeps you off your feet)
 C C
 In Upendi
 G G
 Without a worry or a care
 D
 It just takes two
 D
 To make it true
 C D G G
 Your heart will take you there

[Bridge]

You can beat the bush

Like there's no tomorrow

From Tanganyika to Kilimanjaro!

But you'll find Upendi wherever you are

Oh, underneath the sun (*Sun!*)

[Chorus]

In Upendi

Where the passion fruit grows sweet

And it's so divine

That you'll lose your mind

(Lose your mind)

As it sweeps you off your feet

(Sweeps you off your feet)

In Upendi

Without a worry or a care

It just takes two

To make it true

Your heart

Will take you there

[Outro]
